**INSTANT REFERENCE.**  
This is what you can attain by using an  
**Amberg Cabinet Letter File.**

It makes no difference whether the letter wanted is a day, week or many years old, you can find it at once.  
A System Simple and Perfect, whether your correspondence is large or small, we can arrange a cabinet to suit your wants and guarantee it to give satisfaction. Is it not worth investigation? Read what the firm of Ex-Mayor Grace says:  
W. R. Grace & Co., New York.—We have used the Amberg Cabinet Letter File for years and consider it the simplest and most serviceable method yet devised for the preservation of letters, papers, etc., for ready reference. The chief merits of the system in our opinion are: (1) That each letter or document filed can be seen at the same time classified under some letter or descriptive heading, obviating the need for any endorsement or description on the paper itself. (2) That each paper is preserved intact and separate, and can be referred to, taken out of the file and re-inserted without in any way being mutilated, torn or disfigured.  
This is only one of the many testimonials we have received from the Twenty-five Thousand now in use in every part of the civilized world. Note our proposition.  
A CABINET ON TRIAL, WITHOUT COST. We give you the privilege of using it for sixty days, at the expiration of that time, if satisfactory pay for it, if not return it at our expense.
